Hello ICHO Members and Friends!

I read that this time of year is a time to take advantage of the shorter daylight length, rest and rejuvenate, hibernate, sleep more, or however you restore yourself.

But at the ICHO office, the hamster wheel never stops! Each new season brings continued processing, duties, events, tasks, you get the picture. It is marvelous to watch ICHO continuously busy with helping Curly horses. The work gets done with a network, many hands make light work, and like a buzzing bee hive, there are sweet things that are constantly being accomplished. I'm honored to be a part of this. Inside, you will see the results of the first annual ICHO Virtual Curly Horse Show. Teamwork! What wonderful Curlies and their handlers and riders, new friends were made and old friends were reunited. The annual AGM was also held virtually. Greatly informed, Dr. Gus Cothran and Dr. Mitch Wilkinson filled us in with the latest cutting edge Curly Genetics research. Having the scientists explain their research was a treat indeed, the complexity of Curly genetics is over-whelming!

Wishing you happy reunions with friends and family for the holiday season, a Curly hug also.

Sincerely, Joan Henning and Angel Leggs, ICHO President

The ICHO 2021 Calendar is available now!
