*Ancestral & Parentage DNA Testing Form

Gus Cothran TX A&M Animal Genetics Lab

TX A&M: Send lab results to: ICHO, 322 Tulie Gate Rd, Tularosa, NM 88352

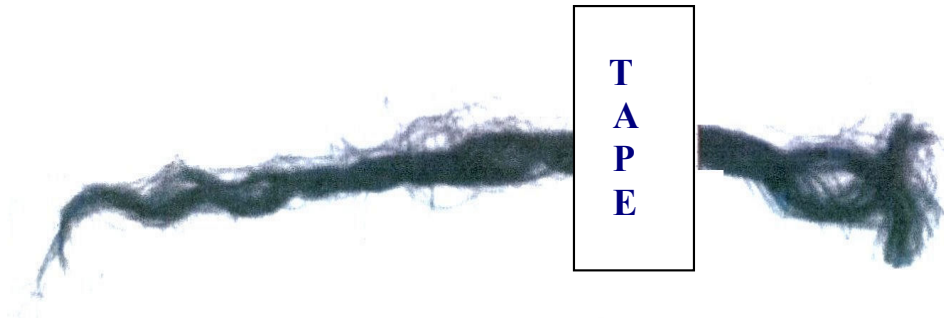

Fill out the form and attach 50 pulled hairs from the mane or tail, attach to the form with tape. Be sure you have roots ends on each hair sample.

Owners send form, hair sample and \$25.00 payment to ICHO

REG # /s	Name of Horse	Parent's of Horse	Reg#
		Sire:	
		Dam:	
DOB	Sex	Color	

Owners Name & Address, email:

Pull 50 hairs so root bulb is attached, do not cut hairs. Tape hairs in this area. Place form with hairs, in a business sized envelope for each sample submitted.

Ancestral & Parentage DNA Form

I agree that this hair sample is from the above listed horse and I agree that the hair sample becomes property of ICHO for the research project of Ancestral DNA testing and the results will be published on the ICHO website as part of the ICHO research Ancestral DNA report. Parentage results will not be published.
