

Pull mane or tail hairs with root bulbs attached. Place hairs in baggie and tape to form where indicated below. Send with registration forms. Type in data, then print.
*Note- DOB means Date of Birth

Hair Sample Form [NO DNA Testing]

ALL Registrations require a hair sample if they have not been parentage DNA tested.

If you **do not want DNA** testing, use this form to send a hair sample in a small baggie with mane or top of tail hair. Send along with the registration form.

Thank You! This makes processing your paperwork much faster by using the correct hair sample form.
No fee applies.

Registrations cannot be processed without a hair sample **or** a copy of parentage DNA results.

Horses Name _____

NACHR# _____ DOB _____ Color _____ Sex _____

Place 50+ PULLED hairs (not cut, must have root ends) in a small baggie.

Tape small baggie with hairs inside, here.

Send hair sample, registration form & registration payment to:

ICHO Office, 322 Tulie Gate Rd, Tularosa, NM 88352
