

## Preserving Curly Jim Ponies & Miniatures

Curly Jim also is the Founding sire of a line of McKay ponies, they bred to Shetland and unknown ponies and their well known sire **Kopper Kid** has been used to establish this line along with his son **Gentleman Jim**. Another Curly Jim pony line was bred by Johnny Brooks, the **Circle B** pony line, he used Walker's Prince T as sire and his son is Curly Jim Circle B. Both these Curly Jim pony lines have been used to breed ponies and Miniatures. Suggested breeds are Shetland ponies, Miniatures (American and Falabella). There is also a line of Curly Jim ponies bred to POA, Welsh ponies from sire Riley who is line bred Curly Jim. Coat gene is SP6.
